The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms

of coverage, go to <a href="www.mainehealthaetna.com">www.mainehealthaetna.com</a>. For general definitions of common terms, such as allowed amount, <a href="balance billing">balance billing</a>, <a href="coinsurance">coinsurance</a>, <a href="coinsurance">copayment</a>, <a href="deductible">deductible</a>, <a href="provider">provider</a>, or other <a href="underlined">underlined</a> terms see the Glossary. Important Questions	Answers	Why This Matters:	
What is the overall deductible?	\$500 individual/ \$1,000 family for Preferred Network and Participating Network providers.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. Check your policy or plan documents to see when the <u>deductible</u> starts over (usually, but not always, January 1 <sup>st</sup> ). See the chart starting on page 2 for how much you pay for covered services after you meet the deductible.	
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> and primary care and specialist office visits are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .	
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services but see the chart starting on page 2 for other costs for services this plan covers.	
What is the <u>out-of-pocket limit</u> for this <u>plan?</u>	\$2,500/indiv or \$5,000/family for MaineHealth Preferred Network Providers. \$4,900/indiv or \$9,800/family for MaineHealth Participating Network Providers. Prescription Drug Copay Maximum \$2,250/indiv or \$4,500/family.	The <u>out-of-pocket limit</u> is the most you could pay during a coverage period (usually one year) for covered services. This limit helps you plan for health care expenses. Your <u>out-of-pocket</u> ( <u>deductible</u> + <u>coinsurance</u> ) will cross-accumulate between the Preferred and Participating <u>Networks</u> .  The prescription drug copayment maximum applies to prescription drug <u>copayments</u> . This maximum is separate from the <u>out-of-pocket limit</u> described above.	
What is not included in the <u>out-of-pocket</u> <u>limit?</u>	Premiums, balance-billing charges, health care and prescription drugs that this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.	
Will you pay less if you use a Preferred network provider?		There are two <u>network provider</u> levels, Preferred and Participating. Out of <u>network</u> services are not covered unless authorized and unavailable in <u>network</u> . You will pay the most if you use an out-of- <u>network provider</u> , and you will receive a bill from a <u>provider</u> for the difference between the <u>provider</u> 's charge and what your plan pays ( <u>balance billing</u> ).	

Do you need a referr	<u>al</u>
to see a specialist?	

Yes. (Referrals are waived for emergency room, chiropractic care, massage therapy, acupuncture; physical, speech and occupational therapy; routine gynecological exams, and screening mammograms)

This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> from your Primary Care Physician before you see the <u>specialist</u>.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
